

ANUSHA A

Chitradurga, Karnataka, India|+918088758946|anuanand1121@gmail.com|[LinkedIn](#)

OBJECTIVE

Passionate, innovative, and results-driven Computer Science Engineering fresher with strong skills in Java, Python, and Full Stack Web Development. Adaptable and quick to learn, eager to contribute to real-world software and cloud solutions while growing in modern DevOps tools and industry-best practices.

TECHNICAL SKILLS

Programming Languages: Java, Python, C,

Web Technologies: HTML, CSS, JavaScript

Databases: SQL, MongoDB

Tools & Platforms: Git, VS Code, IntelliJ, Eclipse, Jupyter Notebook, Google Colab

Soft Skills: Team work, Communication, Problem Solving, Adaptability

EDUCATION

Bachelor of Engineering (B.E.) in Computer Science and Engineering

Sri Jagadguru Mallikarjuna Murugharajendra Institute of Technology (SJMIT), Chitradurga Nov 2022 – Present |
CGPA: 8.01 (Till 6th Semester)

PUC– Govt MMPU College- Holalkere

APRIL 2022| 76.33%

10th–M.M. GOVT. JUNIOR COLLEGE HIGH SCHOOL- Holalkere

JUNE/JULY-2020 |82.08%

PROJECTS

Trip Sync: Travel, Connect, Explore

- Developed a travel web platform for trip planning, user connections, and destination exploration.
- Implemented features such as itinerary planning, location search, and user interaction modules.
- Technologies Used: HTML, CSS, JavaScript, Python/Java.

Virtual Mouse Using Eye Gesture

- Built a virtual mouse system that tracks eye movements to control cursor actions.
- Implemented using computer vision techniques for blink detection and gaze tracking.
- Technologies used: Python, OpenCV, MediaPipe.

CERTIFICATIONS & ACHIEVEMENTS

- Emerge Hackathan, Emerge 2025 State-Level Tech Symposium, Jain Institute of Technology, Davangere. [CERTIFICATE](#)
- TCS Tech Bytes2025–Participated in Statewide IT Quiz by TCS & Government of Karnataka.(BITES) [CERTIFICATE](#)
- Adobe-participated in Round1-Online MCQ Assessment+Coding of Adobe India Hackathon organized by Adobe. [CERTIFICATE](#)
- Code Breaker Challenge 1.0, a 24-hour national-level hackathon ,held at Global Academy of Technology, Bengaluru. [CERTIFICATE](#)
- Python Programming and SQL–Excelr [CERTIFICATE](#)
- Introduction to SQL–Simplilearn [CERTIFICATE](#)
- Introduction to Cloud Computing–Simplilearn [CERTIFICATE](#)
- Modernizing python Application: Migrating to python 3.x- Infosys Springboard [CERTIFICATE](#)

ADDITIONAL INFORMATION

Languages Known: English, Kannada, Telugu, Hindi

Availability: Immediate (For internships/remote roles)

Interests: Cloud Computing (AWS), DevOps Practices, Web Development, Learning New Technologies
